

Dedicated Team Training

Partake in personalized **Dedicated-Team Training** with Cohesity Academy. Cohesity training empowers your team to master our solutions, accelerate adoption, and drive business success. Maximize your investment with private, dedicated sessions focused on the skills and knowledge your organization needs for data security and management.

What's Included:

Private Training

Private group training offers hands-on labs and exercises, with demos and activities tailored specifically to your environment. These sessions include best practice recommendations and support for implementation planning.

Courses

Choose from dozens of course offerings, covering Cohesity products including: DataProtect, SmartFiles, NetBackup, NetBackup Appliances, and many more. Students will choose from the same course options as our Instructor-Led Training. View the entire catalog at [Cohesity Academy](#) or in the [Customer Course Catalog](#).

Lab Access

Students gain access to our lab environment for 6 months, providing opportunities to test, experiment, and explore product features in a risk-free setting. Access starts on the first day of the course.

Duration

The duration of each class ranges between 1 to 5 days. Training is delivered virtually or onsite at your chosen location, exclusively for your team. Virtual courses are available for 1 to 5 days, while onsite courses are available for 2 to 5 days.

Badges

Virtual badges are awarded upon completion. Each badge includes metadata that highlights the skills and achievements gained from the course curriculum. Badges can be easily shared on email signatures, digital resumes, and social media platforms.

Access to Free Self-Paced eCourses

All customers benefit from ongoing complimentary access to our selection of free self-paced training resources. These courses do not include labs.

Required Training Prerequisite

- Free Self-Paced eCourse: [Cohesity Platform Foundations](#)

Key Benefits

- Foster team development and collaboration
- Acquire knowledge to administer, operate, manage, secure, and troubleshoot Cohesity solutions
- Ideal for Certification preparation
- 6 months lab access to help with post course knowledge retention

Registration Process for Dedicated Team Training

Cohesity Academy, in collaboration with your local account team, will coordinate your private training and work closely with you to determine suitable dates and times. Prior to the training sessions, brief introductions via email or video call are typically arranged to ensure student(s) have all necessary information and resources.

Please follow these steps:

1. Fill out the Cohesity Academy [Dedicated Team Training Booking Form](#) to request coordination for a preferred day and time for your group. It is optimal to arrange the course(s) just prior to installation of the solution, so that your teams are educated just in time to ramp.
2. Cohesity Academy and you and your account team will collaborate to arrange, confirm, and coordinate all logistical details for the session.
3. We also suggest your team creates a MyCohesity account [here](#) where you can view Free Self-Paced eCourses, track your progress, and view other Education opportunities.

For an optimal learning experience and to provide the best instructional support we recommend a maximum class size of 12 students. Training expires 365 days after purchase. This policy ensures that participants engage with the material promptly and stay up to date with the latest product knowledge and best practices, maximizing learning and value. For any questions, please contact your local account team or email academy@cohesity.com. Learn more at cohesity.com/academy
