

Free Self-Paced eCourses

Free Self-Paced eCourses provide an accessible starting point for learners looking to grow their skills and accelerate their careers. These on-demand courses are designed to provide foundational knowledge in a flexible format with 24/7 availability. Students learn through interactive modules, practical exercises, knowledge checks, and real-world scenarios that reinforce learning and provide immediate feedback. After gaining familiarity with the basics, students are well-positioned to pursue more advanced, in-depth training options in the future.

What's Included:

Courses

Choose from dozens of course offerings, covering topics like: Platform Foundations, DataProtect as a Service, SmartFiles, Cyber Resilience, and more. View the entire catalog and schedule at [Cohesity Academy](#) or in the [Customer Course Catalog](#).
