

Instructor-Led Training

Unlock flexible, high-impact learning with virtual **Instructor-Led Training** at Cohesity Academy. With schedules available across global regions and a comprehensive curriculum, Cohesity training empowers students to master our solutions, accelerate adoption, and drive business success.

What's Included:

Virtual Training

Delivered in an interactive, lab-based format by our expert trainers, these online sessions provide hands-on experience and in-depth practical knowledge to your team, alongside your peers.

Courses

Choose from dozens of course offerings, covering Cohesity products including: DataProtect, SmartFiles, NetBackup, NetBackup Appliances, and many more. View the entire catalog and schedule at [Cohesity Academy](#) or in the [Customer Course Catalog](#).

Lab Access

Students gain access to our lab environment for 6 months, providing opportunities to test, experiment, and explore product features in a risk-free setting. Access starts on the first day of the course.

Duration

The duration of each class ranges between 1 to 5 days.

Badges

Virtual badges are awarded upon completion. Each badge includes metadata that highlights the skills and achievements gained from the course curriculum. Badges can be easily shared on email signatures, digital resumes, and social media platforms.

Access to Free Self-Paced eCourses

All customers benefit from ongoing complimentary access to our selection of free self-paced training resources. These courses do not include labs.
