PRODUCT USE RIGHTS DOCUMENT FOR NETBACKUP IT ANALYTICS

This Product Use Rights Document ("Document") contains additional terms and conditions (the "Product Use Rights") for the Licensed Software licensed under the Veritas Software License Agreement ("License Agreement") between You as the individual, the company, or the legal entity that will be utilizing the Licensed Software (referenced below as "You" or "Your") and Veritas Technologies LLC. Capitalized terms used in this Document but not defined herein will have the meaning given in the License Agreement. To the extent there is a conflict between the terms and conditions of the License Agreement and this Document, the terms and conditions of this Document will take precedence.

BY DOWNLOADING, INSTALLING OR USING THE LICENSED SOFTWARE, YOU AGREE TO COMPLY WITH THE PRODUCT USE RIGHTS IN THIS DOCUMENT, IN ADDITION TO THE TERMS AND CONDITIONS OF THE LICENSE AGREEMENT. IF YOU DO NOT AGREE TO THE PRODUCT USE RIGHTS APPLICABLE TO THE LICENSED SOFTWARE, DO NOT DOWNLOAD, INSTALL OR USE THE LICENSED SOFTWARE.

For purposes of this Document, the Licensed Software is: **NETBACKUP IT ANALYTICS.**

1. **ADDITIONAL DEFINITIONS.**

    "Array" is defined as a NetApp storage array or NetApp Filer that is running the NetApp SnapMirror, NetApp SnapVault, or NetApp FlexClone software running NetApp Data ONTAP Version 7.2+.

    "Backup Unit" is defined as the number of physical or virtual hosts within the backup environment that contains supported third-party backup software agent or server software.

    "**Cloud Service Provider Environment**" means the cloud computing environment maintained by the Cloud Service Provider or its subcontractors.

    "**Cloud Service Provider**" means the third party entity, for example, but not limited to Amazon Web Services, Microsoft Azure or Google Cloud Platform, into whose hosted cloud environment where you use the Licensed Software.

    "**Container Orchestrator Environment**" means third party software which automates configuration, management and coordination of computer systems and software developed and maintained by the Container Orchestrator Provider or its subcontractors, which may be installed on-premises or in one or more Cloud Service Provider.

    "**Container Orchestrator Provider**" means the third party entity into whose Container Orchestrator Environment you may be using the Licensed Software.

    "**Service**" means the hosting, storage and other services provided by third parties within the Cloud Service Provider Environment. For clarity, Services are not provided by Veritas, and your use of Licensed Software in connection with the Cloud Service Provider Environment is not a service performed by Veritas.

    "DR License" is defined as the additional license capability acquired by You that allows the Licensed Software to be used for disaster recovery purposes, availability or fail-over from production. Such licenses may not be used for production data procession purposes.

    "FC Port" is defined as the number of Fibre Channel switch ports licensed from a switch vendor or present in Your SAN environment.

    "Front End Terabyte" or **"FETB"** shall mean the total aggregate amount of data storage protected which is collected or persisted in the Licensed Software database, when such data is measured as the largest aggregate full (or synthetic full) amount of data as actually supported by the Licensed Software. Any partial terabytes of data shall be rounded up to the next whole terabyte.

    "Raw Terabytes" or **"Raw TBs"** are defined as the total aggregate number of Terabytes or TBs of data storage for the storage systems supported by the Licensed Software, and which is collected or persisted in the Licensed Software database.

    "Server" is defined as a standalone system or an individual computer acting as a service or resource provider to client computers by sharing the resources within the network infrastructure. A Server can run server software for other computers or devices.

"Terabyte" or **"TB"** is defined as the total aggregate amount of uncompressed data storage capacity and/or computer memory that is managed by the software. One Terabyte is equal to 1,024 gigabytes of data. One Gigabyte is equal to 1,024 kilobytes of data.

"Used Terabytes" or **"Utilized Terabytes"** or **"Used TBs"** or **"Utilized TBs"** are defined as the total aggregated number of the used (utilized) TB capacity of all file systems contained on NAS file systems (e.g. NFS or CIFS shares) and/or Windows file systems that are reported on by the Licensed Software.

2.   ADDITIONAL USE RIGHTS AND LIMITATIONS.

2.1.   Use Levels and Meters. The Licensed Software that may be governed by this Document is subject to the following Use Levels:

Product	Meter
NetBackup IT Analytics Protection	Per Front End TB
NetBackup IT Analytics Storage Management	Per Raw TB
NetBackup IT Analytics Complete **Includes:** NetBackup IT Analytics Protection, NetBackup IT Analytics Storage Management, and NetBackup IT Analytics File Analytics for NetBackup NetBackup IT Analytics File Analytics for File Servers	Per Raw TB

2.2.   Subscription. The Licensed Software may be licensed to You for a non-perpetual term, e.g. a subscription or term license. If the Licensed Software is licensed by You on such non-perpetual basis (as indicated on the applicable License Instrument), then Your license to use the Licensed Software shall terminate at the end ofthe applicable license term or period.

2.3.   NetBackup IT Analytics Protection. If the Licensed Software You have licensed includes NetBackup IT Analytics Protection, Front End TBs may include, without limitation, any storage from the following; master servers, library manager servers, media servers and clients, virtual clients and any Cloud assets. If NetBackup IT Analytics Protection is used to support Oracle Recovery Manager ("RMAN") environments, the Front End TB is included for each database instance that is contained within the underlying Oracle RMAN Recovery Catalog(s). The NetBackup IT Analytics Protection includes support for any ESX hosts (plus all virtual machines guests on such hosts) that are utilizing Front End TBs under license.

2.4   NetBackup IT Analytics Storage Management. If the Licensed Software You have licensed includes NetBackup IT Analytics Storage Management, You are only required to license the amount of raw storage from storage arrays (plus (i) any virtualized storage if applicable, (ii) the Utilized TBs collected from Host systems and (ii) the Utilized TBs from Cloud assets) where the Licensed Software is used to collect data. The NetBackup IT Analytics Storage Management include support for any Fiber Channel switch ports and ESX hosts (plus all VM guests on those hosts) that are utilizing TBs under license.

2.5   NetBackup IT Analytics Complete. If the Licensed Software You have licensed includes NetBackup IT Analytics Complete, You are required to license the amount of raw storage from storage arrays (plus any virtualized storage if applicable) and the Utilized TBs from Cloud assets where the Licensed Software is used to collect data. NetBackup IT Analytics Complete includes support for any Fibre Channel switch ports and ESX hosts (plus all virtual machine guests on such hosts) that are utilizing TBs under license. Every Raw TB of NetBackup IT Analytics Complete licensed includes and is limited to a maximum of: (i) 0.5 FETBs of NetBackup IT Analytics Protection; (ii) 1.0 Utilized TBs of NetBackup IT File Analytics; and/or (iii) 1.0 Utilized TBs collected from Host systems or virtual machine/environments not otherwise utilizing TBs under license.

2.6   NetBackup IT Analytics Protection, NetBackup IT Analytics Storage Management and NetBackup IT Analytics Complete may be licensed to You under a Shared Services or Partitioning Edition. (i) For Licensed Software licensed under the Shared Services Edition, the Licensed Software does not include the Oracle Database Software detailed in Section 5.1 and You are required to purchase Your own license to the Oracle Database Software for use with the Licensed Software, (ii) For Licensed Software licensed under the Partitioning Edition, the Licensed Software includes the Oracle Database Enterprise Edition with Partitioning software.

2.7   Disaster Recovery. You are required to license a Disaster Recovery "DR License" for each Licensed Software entitlement that you intend to use for disaster recovery purposes, availability or fail-over from production. However, in the case You have obtained Licensed Software licensed under NetBackup IT Analytics Complete as well as Licensed Software licensed under other NetBackup IT Analytics editions, a single NetBackup IT Analytics Complete DR license will include a DR License for Your license of NetBackup IT Analytics Complete as well as a DR License for Licensed Software you have licensed under other NetBackup IT Analytics editions; You shall not be required to purchase a separate DR License for each NetBackup IT Analytics edition licensed in order to use such license(s) for disaster recovery purposes, availability or fail-over from production.

3.   USAGE IN A CLOUD SERVICE PROVIDER ENVIRONMENT. You may use the Licensed Software in the Cloud Service Provider Environment(s) for which Veritas has pre-configured Licensed Software to run in. Your use of the Licensed Software in Cloud Service Provider Environment(s) accumulates with Your use of the Licensed Software outside of Cloud Service Provider Environment(s) and such combined usage shall cumulatively be in compliance with the Use Levels limitations specified in the License Instrument for the licenses which You have purchased. You will procure Cloud Service Provider's cooperation with Veritas' exercise of its right to audit and verify Your compliance under the License Agreement, including Your use in conformity with the Use Levels purchased, but if You are unable to procure such cooperation then You will, upon Veritas' written request, provide or require Cloud Service Provider to provide, copies of Cloud Service Provider's written usage reports relating to Your use of the Licensed Software in the Cloud Service Provider Environment. Subject to any requirements between the Cloud Service Provider and Veritas, Veritas will use such information for its internal business purposes.

3.1.   TERMINATION OF SUPPORT IN CLOUD SERVICE PROVIDER ENVIRONMENT. If Cloud Service Provider or Veritas terminates its support for the Licensed Software in the Cloud Service Provider Environment, including therefore Your access and use of the Licensed Software under such environment, such termination does not affect Your separate continuing license rights and obligations under the License Agreement and License Instrument.

3.2.   USE OF SOFTWARE LICENSED BY MICROSOFT CORPORATION. If You are deploying Licensed Software in Microsoft Azure, the following may apply. The Licensed Software may include the following Microsoft software products: Windows Server®, SQL Server® or Microsoft Dynamics NAV® ("Microsoft Software Products"), which are provided and licensed by Microsoft Corporation, not Veritas. Your use of the Microsoft Software Products, including updates thereto, shall be governed by Microsoft's license terms.

3.3.   USE OF SOFTWARE LICENSED BY AMAZON WEB SERVICES, INC. If You are deploying Licensed Software in Amazon Web Services, the following may apply. The Licensed Software may include components of Amazon EC2 AMI Tools, which is provided and licensed by Amazon Web Services, Inc., not Veritas. Your use of the Amazon EC2 AMI Tools component, including updates thereto, is subject to the terms of the Amazon Web Services, Inc. "Amazon Software License" at: https://aws.amazon.com/asl/.

4.   Container Orchestrator Environments. You may use Licensed Software in connection with one or more Container Orchestrator Environment(s), and you may obtain Licensed Software, in whole or in part, for such use from a third party download site for the applicable Container Orchestrator Environment, as made available by Veritas at its discretion. Your use of Licensed Software downloaded from each such third party download site is subject to the License Agreement, this Document, and the applicable License Certificate for the licenses which You have purchased. You may be required to accept additional terms of use for access to such third party download site(s). Your use of the Licensed Software in connection with one or more Container Orchestrator Environments, whether deployed on-premises or in a Cloud Service Provider Environment, accumulates with Your use of the Licensed Software outside of Container Orchestrator Environment(s) and such combined usage shall cumulatively be in compliance with the Use Level limitations specified in the License Certificate for the licenses which You have purchased.

5.   ADDITIONAL LICENSE TERMS FOR EMBEDDED THIRD PARTY PROGRAMS. The Licensed Software may include some or all of the following components from other vendors ("Third Party Components"). These Third-Party Components are licensed under the terms of this Agreement, the Document and the additional provisions specified below for each Component:

5.1.   Oracle Database Software. The Licensed Software may contain database technology licensed from Oracle. Such Oracle software is licensed to you under a restricted license and may only be used or accessed in conjunction with NetBackup IT Analytics software. Your use of the technology licensed by Oracle is subject to the following additional terms:

  a. You will limit the use of the programs to the legal entity that entered into the Agreement.
  b. You are responsible for any use of the Third-Party Component by Your agents, contractors, outsourcers, customers and suppliers in compliance with this Agreement and the applicable Document.

c. Oracle or its licensor retains all ownership and intellectual property rights to the Third-Party Component.

d. You cannot assign, give, or transfer the programs and/or any services ordered or an interest in them to another individual or entity (in the event the end user grants a security interest In the programs and/or any services, the secured party has no right to use or transfer the programs and/or any services).

e. You are prohibited from (a) use of the programs for rental, timesharing, subscription service, hosting, or outsourcing; (b) removing or modifying any program markings or any notice of Oracle's or its licensors' proprietary rights; (c) making the programs available in any manner to any third party for use in the third party's business operations (unless such access is expressly permitted for the specific program license); and (d) enabling transfer of title to the programs from passing to the end user or any other party.

f. You are prohibited from reverse engineering (unless required by law for interoperability), disassembly or decompilation of the programs (the foregoing prohibition includes but is not limited to review of data structures or similar materials produced by programs) and prohibited from duplication of the programs except for making a sufficient number of copies of each program for the end user's licensed use and one copy of each program media.

g. You disclaim, to the extent permitted by applicable law, Oracle's liability for (a) any damages, whether direct, indirect, incidental, special, punitive or consequential, and (b) any loss of profits, revenue, data or data use, arising from the use of the programs.

h. At the termination of the Agreement, You must discontinue use and destroy or return to Veritas all copies of the programs and documentation.

i. You may not publish any results of benchmark tests run on the Third-Party Component.

j. You must comply fully with all relevant export laws and regulations of the United States and other applicable export and import laws to assure that neither the programs, nor any direct product thereof, are exported, directly or indirectly, in violation of applicable laws.

k. The Third-Party Component is subject to a restricted license and can only be used in conjunction with the Licensed Software and may only be accessed through the Licensed Software for the purposes of supporting the scope of use allowed by the Licensed Software. You are not permitted to access or use the Third-Party Component independently of the Licensed Software or to modify the Third-Party Component.

l. You will not require Oracle to perform any obligations of incur any liability not previously agreed to between you and Oracle.

m. Veritas may audit Your use of the programs, and You are required to provide reasonable assistance and access to information in the course of such audit and to permit Veritas to report the audit results to Oracle or to assign Veritas' rights to audit Your use of the programs to Oracle. Where Veritas assigns its right to audit to Oracle, then Oracle shall not be responsible for any of Veritas' or Your costs incurred in cooperating with the audit.

n. Oracle America, Inc. is a third-party beneficiary of the Agreement and this Document.

o. The terms and conditions of the Uniform Computer Information Transactions Act (UCITA) are hereby expressly disclaimed and shall not have any applicability with respect to the interpretation of the Agreement or this Document.

p. Some programs may include source code that are provided as part of its standard shipment of such programs, including the Third-Party Component, which source code shall be governed by the terms of the Agreement and this Document.

q. Any third party technology that may be appropriate or necessary for use with some Oracle programs, including this Third Party Component, is specified in the Documentation or as otherwise notified by Veritas and such third party technology is licensed to You only for use with the Licensed Software under the terms of the third party license agreement specified in the Documentation or as otherwise notified by Veritas and not under the terms of the Agreement.

r. If You are using the Licensed Software to provide a service to Your customers, Your use of the Third-Party Component shall only be in conjunction with the Licensed Software and You may not otherwise use or distribute the Third-Party Component under the license granted herein. You are financially responsible to Oracle for any losses suffered by Oracle due to the breach of the Agreement or this Document in Your use of the Licensed Software.

6. TECHNICAL PREVIEW FEATURE.

6.1   Technical Preview Software/Feature License. If the Licensed Software contains the Real Time Job Details Probe (collectively "Technical Preview Feature"), Veritas grants to you a nonexclusive, temporary, royalty-free, non-assignable license to use the Technical Preview Feature solely for internal, non-production evaluation. Such license for the Technical Preview Feature shall be in addition to any licenses for the other portions of the Licensed Software acquired under this License Agreement.

6.2 Feedback. Any test results, benchmark testing output, comments or suggestions provided by You to Veritas regarding the Technical Preview Feature (the "Feedback") shall be deemed non-confidential to You. By providing such Feedback, You grant to Veritas, under Your intellectual property rights, a worldwide, perpetual, royalty-free, irrevocable and non-exclusive license, with the right to sublicense to Veritas' licensees and customers, to use and disclose the Feedback in any manner Veritas chooses and to display, perform, copy, make, have made, use, sell, and otherwise dispose of Veritas' and its sublicensee's products embodying such Feedback in any manner and via any media Veritas or its sublicensees choose, without reference or obligation to You. You represent and warrant that You will not give Veritas any Feedback (i) that You have reason to believe is subject to any patent, copyright, or other intellectual property claim or right of any third party; or (ii) subject to license terms that seek to require any Veritas product incorporating or derived from any Feedback, or other Veritas intellectual property, to be licensed to or otherwise shared with any third party. Veritas shall not use or reference Your name in its public use of such Feedback.

6.3 Technical Preview Feature Disclaimer. Veritas is under no obligation to develop, modify, improve, maintain or market the Technical Preview Feature or to release production or general availability versions. Future versions of the Technical Preview Feature, if any, may not be compatible with the current evaluation version of the Technical Preview Feature. Veritas does not warrant that the Technical Preview Feature shall meet your requirements or that the use of the Technical Preview Feature shall be uninterrupted or error free.

6.4 No Support/Maintenance Services. Veritas does not and has no obligation under the License Agreement and this Document to provide maintenance/support for the Technical Preview Feature.

7. DATA PROTECTION. In connection with Your use of the Licensed Software, Veritas and Veritas' licensors, subcontractors, or agents on Veritas' behalf may collect, retain, disclose and use certain information including but not limited to personal data about You, Your devices or systems or Your software usage ("Collected Data"). Veritas use(s) such Collected Data to enable, optimize and provide the Licensed Software and/or maintenance/support to You (and may engage third parties to do so as well) and to improve Veritas' products and services.

Please refer to Veritas' Product Privacy Notices at https://www.veritas.com/privacy in order to understand how Collected Data is processed.

Please note that the use of the Licensed Software may be subject to data protection laws or regulations in certain jurisdictions ("Privacy Laws"). You are responsible for ensuring that Your use of the Licensed Software, the processing and transfer of such Collected Data is in accordance with such Privacy Laws.

You acknowledge that the Collected Data will be processed and accessible on a global basis by Veritas, its Affiliates agents and subcontractors. Veritas shall take appropriate technical and organisational measures against unauthorised or unlawful processing of that personal data and against accidental loss or destruction of, or damage. Veritas may disclose the Collected Data as required or permitted by law or in response to a subpoena or other legal process.

You acknowledge Veritas will process such personal data in accordance with the Data Processing Addendum at www.veritas.com/privacy (as amended from time to time).

8. USE OF RED HAT UNIVERSAL BASE IMAGE SOFTWARE. The Licensed Software may contain Red Hat software licensed from Red Hat. Such Red Hat software may only be used or accessed in conjunction with the Licensed Software. Your use of the Red Hat software is subject to the terms of the "RED HAT END USER LICENSE AGREEMENT", a copy of which is provided herein.

RED HAT END USER LICENSE AGREEMENT
UNIVERSAL BASE IMAGE

PLEASE READ THIS END USER LICENSE AGREEMENT CAREFULLY BEFORE USING SOFTWARE FROM RED HAT. BY USING RED HAT SOFTWARE, YOU SIGNIFY YOUR ASSENT TO AND ACCEPTANCE OF THIS END USER LICENSE AGREEMENT AND ACKNOWLEDGE YOU HAVE READ AND UNDERSTAND THE TERMS. AN INDIVIDUAL ACTING ON BEHALF OF AN ENTITY REPRESENTS THAT HE OR SHE HAS THE AUTHORITY TO ENTER INTO THIS END USER LICENSE AGREEMENT ON BEHALF OF THAT ENTITY. IF YOU DO NOT ACCEPT THE TERMS OF THIS AGREEMENT, THEN YOU MUST NOT USE THE RED HAT SOFTWARE. THIS END USER LICENSE AGREEMENT DOES NOT PROVIDE ANY RIGHTS TO RED HAT SERVICES SUCH AS SOFTWARE MAINTENANCE, UPGRADES OR SUPPORT. PLEASE REVIEW YOUR SERVICE OR SUBSCRIPTION AGREEMENT(S) THAT YOU MAY HAVE WITH RED HAT OR OTHER AUTHORIZED RED HAT SERVICE PROVIDERS REGARDING SERVICES AND ASSOCIATED PAYMENTS.

This end user license agreement ("**EULA**") governs the use of Red Hat Universal Base Image and associated software supporting such container(s) and any related updates, source code, including the appearance, structure and organization (the "**Programs**"), regardless of the delivery mechanism. If a Red Hat Universal Base Image is included in another Red Hat product, the EULA terms of such other Red Hat product will apply and supersede this EULA. If a Red Hat Universal Base Image is included in a third party work, the terms of this EULA will continue to govern the Red Hat Universal Base Image.

1. License Grant. Subject to the terms of this EULA, Red Hat, Inc. ("**Red Hat**") grants to you a perpetual, worldwide license to the Programs (each of which may include multiple software components). With the exception of the Red Hat trademark identified in Section 2 below, each software component is governed by a license that permits you to run, copy, modify, and redistribute (subject to certain obligations in some cases) the software components. This EULA pertains solely to the Programs and does not limit your rights under, or grant you rights that supersede, the license terms applicable to any particular component. The license terms applicable to each software component are provided in the source code of that component.

2. Intellectual Property Rights. The Programs and each of their components are owned by Red Hat and other licensors and are protected under copyright law and other laws as applicable. Title to the Programs and any component shall remain with Red Hat and other licensors, subject to the applicable license, excluding any independently developed and licensed work. The "Red Hat" trademark is a registered trademark of Red Hat and its affiliates in the U.S. and other countries. Subject to Red Hat's trademark usage guidelines (set forth at http://www.redhat.com/about/corporate/trademark/), this EULA permits you to distribute the Programs that include the Red Hat trademark, provided you do not make any statements on behalf of Red Hat, including but not limited to, stating or in any way suggesting (in any public, private and/or confidential statement (whether written or verbal)) that Red Hat supports or endorses software built and delivered with a Red Hat Universal Base Image(s) (such derivative works referred to as a "**Red Hat Based Container Images**"); provided if a Red Hat Based Container Image is Red Hat Certified and deployed on a Red Hat supported configuration as set forth at https://access.redhat.com/articles/2726611 then you may state that the Red Hat Universal Base Image is supported by Red Hat. You agree to include this unmodified EULA in all distributions of container images sourced, built or otherwise derived from the Programs. If you modify the Red Hat Universal Base Image(s), you must remove any Red Hat trademark(s) prior to any subsequent distribution. Any breach of this Section 2 is a material breach of the EULA and you may no longer use and/or distribute the Red Hat trademark(s). Modifications to the software may corrupt the Programs.

3. Limited Warranty. Except as specifically stated in this Section 3, a separate agreement with Red Hat, or a license for a particular component, **to the maximum extent permitted under applicable law, the Programs and the components are provided and licensed "as is" without warranty of any kind, expressed or implied, including the implied warranties of merchantability, non-infringement or fitness for a particular purpose.** Neither Red Hat nor its affiliates warrant that the functions contained in the Programs will meet your requirements or that the operation of the Programs will be entirely error free, appear or perform precisely as described in the accompanying documentation, or comply with regulatory requirements. Red Hat warrants that the media on which the Programs and the components are provided will be free from defects in materials and manufacture under normal use for a period of 30 days from the date of delivery to you. **This warranty extends only to the party that purchases subscription services for the supported configurations from Red Hat and/or its affiliates or a Red Hat authorized distributor.**

4. Limitation of Remedies and Liability. To the maximum extent permitted by applicable law, your exclusive remedy under this EULA is to return any defective media within 30 days of delivery along with a copy of your payment receipt and Red Hat, at its option, will replace it or refund the money you paid for the media. **To the maximum extent permitted under applicable law, under no circumstances will Red Hat, its affiliates, any Red Hat authorized**

distributor, or the licensor of any component provided to you under this EULA be liable to you for any incidental or consequential damages, including lost profits or lost savings arising out of the use or inability to use the Programs or any component, even if Red Hat, its affiliates, an authorized distributor, and/or licensor has been advised of the possibility of such damages. In no event shall Red Hat's or its affiliates' liability, an authorized distributor's liability or the liability of the licensor of a component provided to you under this EULA exceed the amount that you paid to Red Hat for the media under this EULA.

5. Export Control. As required by the laws of the United States and other countries, you represent and warrant that you: (a) understand that the Programs and their components may be subject to export controls under the U.S. Commerce Department's Export Administration Regulations ("EAR"); (b) are not located in a prohibited destination country under the EAR or U.S. sanctions regulations (currently Cuba, Iran, North Korea, Sudan, Syria, and the Crimea Region of Ukraine, subject to change as posted by the United States government); (c) will not export, re-export, or transfer the Programs to any prohibited destination, persons or entities on the U.S. Bureau of Industry and Security Denied Parties List or Entity List, or the U.S. Office of Foreign Assets Control list of Specially Designated Nationals and Blocked Persons, or any similar lists maintained by other countries, without the necessary export license(s) or authorizations(s); (d) will not use or transfer the Programs for use in connection with any nuclear, chemical or biological weapons, missile technology, or military end-uses where prohibited by an applicable arms embargo, unless authorized by the relevant government agency by regulation or specific license; (e) understand and agree that if you are in the United States and export or transfer the Programs to eligible end users, you will, to the extent required by EAR Section 740.17(e), submit semi-annual reports to the Commerce Department's Bureau of Industry and Security, which include the name and address (including country) of each transferee; and (f) understand that countries including the United States may restrict the import, use, or export of encryption products (which may include the Programs and the components) and agree that you shall be solely responsible for compliance with any such import, use, or export restrictions.

6. Third Party Software. The Program may be provided with third party software programs subject to their own license terms. The license terms either accompany the third party software programs or, in some instances, may be viewed at www.registry.redhat.com. If you do not agree to abide by the applicable license terms for the third party software programs, then you may not install, distribute or use them.

7. General. If any provision of this EULA is held to be unenforceable, the enforceability of the remaining provisions shall not be affected. Any claim, controversy or dispute arising under or relating to this EULA shall be governed by the laws of the State of New York and of the United States, without regard to any conflict of laws provisions. The rights and obligations of the parties to this EULA shall not be governed by the United Nations Convention on the International Sale of Goods.
