PRODUCT USE RIGHTS DOCUMENT FOR VERITAS RESILIENCY PLATFORM

This Product Use Rights Document ("Document") contains additional terms and conditions (the "Product Use Rights") for the Licensed Software licensed under the Veritas Software License Agreement ("License Agreement") between You as the individual, the company, or the legal entity that will be utilizing the Licensed Software (referenced below as "You" or "Your") and Veritas Technologies LLC. Capitalized terms used in this Document but not defined herein will have the meaning given in the License Agreement. To the extent there is a conflict between the terms and conditions of the License Agreement and this Document, the terms and conditions of this Document will take precedence.

BY DOWNLOADING, INSTALLING OR USING THE LICENSED SOFTWARE, YOU AGREE TO COMPLY WITH THE PRODUCT USE RIGHTS IN THIS DOCUMENT, IN ADDITION TO THE TERMS AND CONDITIONS OF THE LICENSE AGREEMENT. IF YOU DO NOT AGREE TO THE PRODUCT USE RIGHTS APPLICABLE TO THE LICENSED SOFTWARE, DO NOT DOWNLOAD, INSTALL OR USE THE LICENSED SOFTWARE.

For purposes of this Document, the Licensed Software is: Veritas Resiliency Platform

1.   ADDITIONAL DEFINITIONS.

"Instance" shall mean a single installed instance of the Licensed Software, whether in a physical or virtual environment. By way of example only, if the Licensed Software is installed in 2 environments, 1 physical and 1 virtual environment, such installations shall be deemed to require licensing of the Licensed Software for 2 Instances.

"Processor" also referred to as a "CPU" or "Core", is defined as the logic circuitry that responds to and processes the instructions that run a computer and/or that accesses or runs the software. Each processor may be comprised of multiple processing cores which may each independently act as individual processors. When indicated by Veritas that the Processor is licensed on a per-core basis, the number of processors shall be counted as the total number of cores such that a processor with "x" cores is counted as "x" processors.

"**Term or Subscription**" A term or subscription license grants the licensee the right to use the software for a specific period of time. The licensee may only use the software for the duration of time purchased subject to the terms and conditions of the End User License Agreement.

"**Virtual Machine**", also referred to as a "VM", is defined as a software implementation of a computer that does not physically exist but is created within a single instance of an operating system on a physical computer to enable applications to execute within the environment of that instance of the operating system.

2.   ADDITIONAL USE RIGHTS AND LIMITATIONS.

2.1. You may use the Licensed Software in accordance with the terms and conditions set forth below for the type of license You have received for the Licensed Software, as indicated in the applicable License Instrument(s), except as otherwise provided in this License Agreement. You must have a license for each protected deployment (physical or virtual) of the Licensed Software.

a) **Per Core License**: For applications that reside on any physical servers (e.g. Windows, Linux) that is managed by the Licensed Software, You may only use the Licensed Software for up to the number of Cores as indicated in the applicable License Instrument.

b) **Per Virtual Machine License**: For virtual machines that are managed by the Licensed Software (e.g. in a virtual environment such as ESX, Hyper-V), You may only use the Licensed Software for up to the number of Virtual Machines indicated in the applicable License Instrument.

c) **"Protected"**: For the purposes of this section, "protected" means that a deployment of the Licensed Software (physical or virtual) is covered by the contiuity protections of the Licensed Software. For instance, if You have deployed the Licensed Software on a physical server and have configured the Licensed Software to no longer be operational, You do not have to have a license for such deployment.

d) "**CloudMobility**"**:** If you have licensed the Licensed Software as a CloudMobility offering, You shall only be authorized to use the Licensed Software within 12 months after order of the Licensed Software for the purposes of migrating one VM to a cloud services provider environment and/or reverting such migration back to Your selected environment."

2.2.   Subscription Terms: If the product is licensed to You on a term or subscription basis, Your license right shall only extend for the term given in your license instrument.

3.   Data Collection; Data Protection Regulations.

In connection with Customer's use of the Licensed Software, Veritas may collect, retain, disclose and use certain information ("Collected Data"). Collected Data may include, but is not limited to, personally identifiable information about Customer, Customer devices or systems or Customer software usage.   Veritas use(s) such Collected Data to enable, optimize and provide the Licensed Software or maintenance/support to Customer (and may engage third parties to do so as well) and to improve Veritas' products and Licensed Software in general, including by reviewing aggregate data for statistical analyses. By installing and/or using the Licensed Software, Customer agrees to allow Veritas to collect Collected Data as described in this section.   Please refer to Veritas' product privacy notices at https://www.veritas.com/company/privacy in order to fully understand what information Veritas collects, retains, discloses, and uses from Customer or Customer devices. Please note that the use of the Licensed Software may be subject to data protection laws or regulations in certain jurisdictions. Customer are responsible for ensuring that Customer's use of the Licensed Software is in accordance with such laws or regulations. Where Customer's processing of the personal data provided to Veritas under this Agreement is subject to the General Data Protection Regulation (EU) 2016/679, or other applicable laws that relate to the processing of personal data and privacy that may exist in the European Economic Area, Switzerland, Veritas shall process such personal data in accordance with the Data Processing Terms and Conditions at www.veritas.com/gdpr.

4.   JAVA NOTICE.   The Licensed Software includes portions of the Java SE Platform licensed by Oracle Corporation. In compliance with the license the following notice must be provided:

Use of the Commercial Features for any commercial or production purpose requires a separate license from Oracle. "Commercial Features" means those features identified Table 1-1 (Commercial Features In Java SE Product   Editions)   of   the   Java   SE   documentation   accessible   at http://www.oracle.com/technetwork/java/javase/documentation/index.html

5.   Precedence. You may receive access to the Licensed Software as a component or part of a service provided by a service provider (the "Service Provider"). In the event of any conflict between the terms of this License Agreement and the terms of Your services agreement with the Service Provider, the terms of your services agreement with the Service Provider shall have precedence and shall be controlling.
