PRODUCT USE RIGHTS DOCUMENT FOR VERITAS RESILIENCY PLATFORM

This Product Use Rights Document ("Document") contains additional terms and conditions (the "Product Use Rights") for the Licensed Software licensed under the Veritas Software License Agreement ("License Agreement") between You as the individual, the company, or the legal entity that will be utilizing the Licensed Software (referenced below as "You" or "Your") and Veritas Technologies LLC. Capitalized terms used in this Document but not defined herein will have the meaning given in the License Agreement. To the extent there is a conflict between the terms and conditions of the License Agreement and this Document, the terms and conditions of this Document will take precedence.

BY DOWNLOADING, INSTALLING OR USING THE LICENSED SOFTWARE, YOU AGREE TO COMPLY WITH THE PRODUCT USE RIGHTS IN THIS DOCUMENT, IN ADDITION TO THE TERMS AND CONDITIONS OF THE LICENSE AGREEMENT. IF YOU DO NOT AGREE TO THE PRODUCT USE RIGHTS APPLICABLE TO THE LICENSED SOFTWARE, DO NOT DOWNLOAD, INSTALL OR USE THE LICENSED SOFTWARE.

For purposes of this Document, the Licensed Software is: Veritas Resiliency Platform

1.   ADDITIONAL DEFINITIONS.

"Disaster" means an unforeseen occurrence causing the operation of the applicable systems on which the Licensed Software is used for Production Use, or the Licensed Software installed on such systems, to be substantially impaired or prevented, which occurrence may include but is not limited to fires, earthquakes, floods and computer viruses.

"Cold Disaster Recovery Equipment" means a server and/or processor or device on which the Licensed Software may be installed and configured under a Cold Disaster Recovery License, and which is not production use servicing transactions or requiring workloads during periods of Your normal internal business operations.

"Failover Readiness Testing" means testing of the procedures for transferring Your production operation from one server to another.

"Gigabytes" means the total aggregate amount of uncompressed data storage capacity that is managed by the Licensed Software. One Gigabyte is equal to 1,024 megabytes of data.

"Instance" shall mean a single installed instance of the Licensed Software, whether in a physical or virtual environment. By way of example only, if the Licensed Software is installed in 2 environments, 1 physical and 1 virtual environment, such installations shall be deemed to require licensing of the Licensed Software for 2 Instances.

"Processor" also referred to as a "CPU" or "Core", is defined as the logic circuitry that responds to and processes the instructions that run a computer and/or that accesses or runs the software. Each processor may be comprised of multiple processing cores which may each independently act as individual processors. When indicated by Veritas that the Processor is licensed on a per-core basis, the number of processors shall be counted as the total number of cores such that a processor with "x" cores is counted as "x" processors.

"Production Use" means any functional operation of the Licensed Software in support of Your normal business operations (such as normal productive use and pre-production testing other than Failover Readiness Testing).

"Testing Day" means a period of twenty-four (24) consecutive hours, or any lesser portion of such twenty-four (24) hour period.

"**Term or Subscription"** A term or subscription license grants the licensee the right to use the software for a specific period of time. The licensee may only use the software for the duration of time purchased subject to the terms and conditions of the End User License Agreement.

"**Virtual Machine**", also referred to as a "VM", is defined as a software implementation of a computer that does not physically exist but is created within a single instance of an operating system on a physical computer to enable applications to execute within the environment of that instance of the operating system.

2.   ADDITIONAL USE RIGHTS AND LIMITATIONS.

2.1. You may use the Licensed Software in accordance with the terms and conditions set forth below for the type of license You have received for the Licensed Software, as indicated in the applicable License Instrument(s), except as otherwise provided in this License Agreement. You must have a license for each protected deployment (physical or virtual) of the Licensed Software.

a) **Per Core License**: For applications that reside on any physical servers (e.g. Windows, Linux) that is managed by the Licensed Software, You may only use the Licensed Software for up to the number of Cores as indicated in the applicable License Instrument.

b) **Per Virtual Machine License**: For virtual machines that are managed by the Licensed Software (e.g. in a virtual environment such as ESX, Hyper-V), You may only use the Licensed Software for up to the number of Virtual Machines indicated in the applicable License Instrument.

c) **Per Gigabyte License:** If the License Instrument indicates that You have received a license for Veritas Resiliency Platform Data Mover, You may use such Licensed Software to protect data for up to the number of Gigabytes set forth in the License Instrument .

d) **"Protected"**: For the purposes of this section, "protected" means that a deployment of the Licensed Software (physical or virtual) is covered by the contiuity protections of the Licensed Software. For instance, if You have deployed the Licensed Software on a physical server and have configured the Licensed Software to no longer be operational, You do not have to have a license for such deployment.

e) "**CloudMobility"**: If you have licensed the Licensed Software as a CloudMobility offering, You shall only be authorized to use the Licensed Software within 12 months after order of the Licensed Software for the purposes of migrating one VM to a cloud services provider environment and/or reverting such migration back to Your selected environment."

2.2.   Subscription Terms: If the product is licensed to You on a term or subscription basis, Your license right shall only extend for the term given in your license instrument.

2.3   Amended License Grant. Section 2 of this License Agreement is hereby deleted in its entirety and replaced with the following:

"**2.** LICENSE GRANT. Subject to Your compliance with the terms and conditions of this License Agreement, Veritas grants to You the following non-exclusive, non-transferable (except as stated otherwise in Section 16.1) license rights:

(a) You may use the Licensed Software solely in support of Your internal business operations in the quantities and at the Use Levels described in this License Agreement and the applicable License Instrument.

(b) Provided that You have a currently effective maintenance/support contract for the Licensed Software, you may install the Licensed Software on Your Cold Disaster Recovery Equipment and (i) You may use such Licensed Software for Failover Readiness Testing purposes for up to a cumulative total of thirty (30) Testing Days in any twelve (12) month period, which use may be concurrent with Your authorized Production Use of the Licensed Software under Section 2(a), and (ii) in the event of a Disaster, You may use such Licensed Software for Production Use at the Use Levels described in this License Agreement and the applicable License Instrument, for a period of up to ninety (90) consecutive calendar days, *provided however*, that such use may not be concurrent with Your regular Production Use of the Licensed Software under Section 2(a) and does not increase Your total number of licenses to the Licensed Software beyond those which You have purchased and which have been authorized by Veritas as indicated on the applicable License Instrument. The Licensed Software installed on Your Cold Disaster Recovery Equipment and used pursuant to the rights set forth in this subparagraph must be the same version of the Licensed Software You use for Your regular Production Use. In addition, the rights set forth in this subparagraph will automatically terminate in the event that You do not have a valid maintenance/support contract in effect for the Licensed Software.

(c) You may make a single uninstalled copy of the Licensed Software for archival purposes."

3.   Data Collection; Data Protection Regulations. In connection with Your use of the Licensed Software, Veritas may collect, retain, disclose and use certain information ("Collected Data"). Collected Data may include, but is not limited to, personally identifiable information about You, Your devices or systems or Your software usage.   Veritas uses such Collected Data to enable, optimize and provide the Licensed Software or maintenance/support to You (and may engage third parties to do so as well) and to improve Veritas' products and services in general, including by reviewing aggregate data for statistical analyses. By installing and/or using the Licensed Software, You agree to allow Veritas to collect Collected Data as described in this section. Please refer to Veritas' product privacy notices at https://www.veritas.com/privacy in order to fully understand what information Veritas collects, retains, discloses, and uses from You or Your devices. Please note that the use of the Licensed Software may be subject to data protection

laws or regulations in certain jurisdictions. You are responsible for ensuring that Your use of the Licensed Software is in accordance with such laws or regulations.

4. **JAVA NOTICE.** The Licensed Software includes portions of the Java SE Platform licensed by Oracle Corporation. In compliance with the license the following notice must be provided:

Use of the Commercial Features for any commercial or production purpose requires a separate license from Oracle. "Commercial Features" means those features identified Table 1-1 (Commercial Features In Java SE Product Editions) of the Java SE documentation accessible at http://www.oracle.com/technetwork/java/javase/documentation/index.html

5. **Precedence.** You may receive access to the Licensed Software as a component or part of a service provided by a service provider (the "Service Provider"). In the event of any conflict between the terms of this License Agreement and the terms of Your services agreement with the Service Provider, the terms of your services agreement with the Service Provider shall have precedence and shall be controlling.
