

Certificate - Veritas Verified Support for Software

October 2020

This document (the “**Certificate**”) is a legal agreement between the end user (the “**Customer**”) and Veritas Technologies LLC and/or its subsidiaries (“**Veritas**”). This Certificate and the rights granted herein are only effective as to end users who have a valid license pursuant to a Veritas license agreement (the “**License Agreement**”) for the underlying Veritas software product(s) (the “**Software**”) for which the Verified Support offering (“**Support**”) will be provided. This Certificate applies to the Software identified on the front of this Certificate. Capitalized terms are defined in this Certificate, the License Agreement or the Technical Support Policy.

If this Certificate applies to a consolidated order where there are multiple entitlement owners listed on the front of the Certificate, then the end user entity receiving this Certificate must provide this Certificate, including these Support terms, to each of the entitlement owners listed on the front of the Certificate.

IF CUSTOMER DOES NOT AGREE TO THESE TERMS, THEN VERITAS IS UNABLE TO PROVIDE SUPPORT TO CUSTOMER. RECEIPT OF SUPPORT INDICATES CUSTOMER’S AGREEMENT TO THESE TERMS.

- Customer must use the Veritas-provided processes (such as using a support/service identifier) when requesting Support to be properly routed for US Person / US-Based Case Management; and

Upgrade Assurance: “**Upgrade Assurance**” means the right to use upgrades to the Software as they become generally available to Veritas’ end user customers. An upgrade is any version of the Software which has been released to the public and which replaces the prior version of the Software. All such upgraded Software is licensed to Customer for use subject to all terms and conditions, including without limitation disclaimers of warranties and limitation of liabilities, of the License Agreement. Nothing in this Certificate shall be construed as separately licensing copies of the Software or increasing the number of copies of Software licensed to Customer.

Scope of Support: Customer’s technical assistance is limited to error correction resolution of Software used in a Supported Configuration. Support does not include services such as training, installation, migration, implementation and configuration services which Veritas sells under other separate offerings. Please refer to <https://www.veritas.com/services> for additional information regarding these and other services offered by Veritas.

- **Technical Support Policy:** Support will be provided in accordance with Veritas’ Technical Support Policy and other support policies which may be revised and updated by Veritas from time to time without notice to Customer. Please refer to <http://go.veritas.com/support-fundamentals> for copies of such policies. Under Veritas’ Technical Support Policy, Support may be discontinued for certain Software or a particular version of Software prior to the end date of the term purchased.
- **Essential Support Equivalent:** Except as otherwise stated herein, for purposes of Veritas policies, handbooks, end of life processes, guides and other documentation, references to Essential Support shall be deemed to include Verified Support for Software. Verified Support for Software will satisfy the requirements of any offering (such as Business Critical Services, Extended Software Support, or Sustaining Software Support) that requires Essential Support as a prerequisite.

Privacy and Data Protection. Customer recognizes that Veritas will require Customer to supply certain personal data (such as business contact names, business telephone numbers, business e-mail addresses) for Veritas to provide Support and to keep Customer apprised of Support and Software updates. Customer acknowledges that Veritas is a global organization, and such personal data may be accessible on a global basis to enable Veritas to provide Support to Customer. By providing such personal data, Customer consents to Veritas using, transferring and processing this personal data on a global basis for the purposes described above. Where Customer’s processing of the personal data provided to Veritas under this Certificate is subject to the General Data Protection Regulation (EU) 2016/679, or other applicable laws that relate to the processing of personal data and privacy that may exist in the European Economic Area and/or Switzerland, Veritas shall process such personal data in accordance with the Data Processing Terms and Conditions at <https://www.veritas.com/privacy>. All questions and requests on privacy matters may be addressed to Veritas Technologies LLC – Privacy Program Office at Veritas’ headquarters location published at [veritas.com](https://www.veritas.com) or by email at privacy@veritas.com.

Support Warranty. Veritas warrants, for a period of thirty (30) days from the date of performance of Support under this Certificate, that such Support will be performed in a manner consistent with generally accepted industry standards. For Support not performed as warranted in this provision, and, provided Customer has reported such non-conformance to Veritas within thirty (30) days of performance of such non-conforming Support, Veritas will, at its discretion, either correct any nonconforming Support or refund the relevant fees paid for the nonconforming Support. THIS IS CUSTOMER’S EXCLUSIVE REMEDY AND VERITAS’ SOLE LIABILITY REGARDING THE SUPPORT WARRANTY DESCRIBED IN THIS SECTION.

DISCLAIMER OF DAMAGES. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW AND REGARDLESS OF WHETHER ANY REMEDY SET FORTH HEREIN FAILS OF ITS ESSENTIAL PURPOSE, IN NO EVENT WILL VERITAS BE LIABLE TO CUSTOMER FOR (i) ANY COSTS OF PROCUREMENT OF SUBSTITUTE OR REPLACEMENT GOODS AND SERVICES, LOSS OF PROFITS, LOSS

OF USE, LOSS OF OR CORRUPTION TO DATA, BUSINESS INTERRUPTION, LOSS OF PRODUCTION, LOSS OF REVENUES, LOSS OF CONTRACTS, LOSS OF GOODWILL, OR ANTICIPATED SAVINGS OR WASTED MANAGEMENT AND STAFF TIME; OR (ii) ANY SPECIAL, CONSEQUENTIAL, INCIDENTAL OR INDIRECT DAMAGES WHETHER ARISING DIRECTLY OR INDIRECTLY OUT OF THE PROVISION OF SUPPORT, EVEN IF VERITAS, ITS RESELLERS, SUPPLIERS OR ITS AGENTS HAS BEEN TOLD SUCH DAMAGES MIGHT OCCUR. IN NO CASE SHALL VERITAS' LIABILITY EXCEED THE PURCHASE PRICE FOR THE SUPPORT GIVING RISE TO THE CLAIM. NOTHING IN THIS CERTIFICATE SHALL EXCLUDE OR LIMIT VERITAS' LIABILITY FOR ANY LIABILITY WHICH CANNOT BE EXCLUDED OR LIMITED BY LAW.

Autorenewal Benefit. Support includes an autorenewal benefit. Customer's Support will automatically renew for renewal periods of twelve (12) months each when the then-current term expires ("**Autorenewal**"). Customer may cancel Autorenewal by providing written notice to Veritas at returnsandcancellations@veritas.com at least thirty (30) days before the beginning of the next Autorenewal date. Veritas may cancel Autorenewal by providing notice either by (i) email to Customer's then-current business or technical contact or (ii) publication on veritas.com.

Unless otherwise agreed to by the parties, Veritas reserves the right to automatically invoice for each Autorenewal with an increase not to exceed up to five percent (5%) over the annualized rate Veritas charged for the prior twelve (12) month period of Support. This stated renewal cap does not apply to purchases which were made under a promotional rate or on less-than-market rates: in these situations, Veritas reserves the right to uplift renewal pricing to current market rates.

This Autorenewal benefit does not apply to Customers who cannot agree to Autorenewal under local law or governmental procurement regulation.

Integration. This Certificate, as supplemented by any relevant terms in the License Agreement not otherwise defined herein, constitutes the entire agreement between this parties pertaining to the subject matter hereof, and, except as otherwise agreed upon in writing by the parties, supersedes any and all prior written or oral agreement with respect to such subject matter.
