

Cohesity Licensing: Simplified Packaging for Modern Data Security and Management

Cohesity provides a simple way to secure and manage data across data centers, edge, and clouds. Get started with Cohesity Data Cloud today for modern data security and management in the cloud era.

	Standard	Plus (Includes Standard)	Premium (Includes Plus)
Data Protection & Recovery			
Enterprise Data Protection Simplify backup and accelerate immutable data recovery on-premises, at the edge, or in the cloud.	✓	✓	✓
	Cloud license for data protection as-a-service optional		
Ransomware Detection Defend against threats with anomaly detection.	✓	✓	✓
Instant Mass Restore Reduce recovery time with unlimited and fully hydrated snapshots and recover VMs, files, and file shares instantly.	✓	✓	✓
Data Security			
Cyber Vaulting Improve cyber resiliency with an immutable copy of data in a Cohesity-managed cloud vault.	✓	✓	✓
Intelligent Threat Protection Stay ahead of cyber threats and identify malware with highly curated threat feeds trained with ML.		✓	✓
Sensitive Data Classification Find sensitive and regulated data and reduce false positives with ML-based data classification.		✓	✓
Data Mobility			
Automated Disaster Recovery Automate DR failover and orchestration with near-zero downtime. Replicate backup data to target cluster.			✓
Data Access			
Unified File and Object Services Take advantage of software-defined file and object services with next-level intelligence, scalability, and efficiency.			✓
Data Insights			
Analytics Dashboards Streamline operations with a single view of backup data and applications wherever they reside.	✓	✓	✓
Security Center Centralized management and dashboards for anomalies, threat detection, data classification and user activity monitoring.	✓	✓	✓

Cohesity subscription licenses are available as 1 year or multi-year subscriptions and include software and premium support (24 hours, 7 days a week, 365 days a year). During the subscription period, customers automatically receive software upgrades and new capabilities included in the base packages at no additional cost.
